

## Peer Evaluations

Please use this form to evaluate your group for the final project. Be sure to also evaluate *yourself*. All members must complete this form and return it in a sealed envelope.

On a scale of 0-5 (zero referring to the *lowest* rating and 5 referring to the *highest* rating) rate the contributions for each member of the project.

**Rating Key:**

- (0) didn't contribute significantly or work was unusable;
- (1) contributed a little bit but not as much as others or quality of work was poor;
- (2) contributed a fair amount and/or the quality of the work was okay;
- (3) contributed what was expected and/or the quality of work was good;
- (4) contributed what was expected and the quality of work was very good;
- (5) did an outstanding job and the quality of the work was excellent.

1) Yourself:

---

- a) To the project overall ( )
- b) To the written portion of the project ( )
- c) Intellectually to the project (idea, knowledge, solutions) ( )
- d) Coordination of the team (leadership role) ( )
- e) To developing the class presentation (ppt, programming language) ( )
- f) Overall personality in terms of working in a group ( )  
(flexibility, team-player, availability)
- g) Dedication of the proper time for the project ( )

2)

---

- a) To the project overall ( )
- b) To the written portion of the project ( )
- c) Intellectually to the project (idea, knowledge, solutions) ( )
- a) Coordination of the team (leadership role) ( )
- b) To developing the class presentation (ppt, programming language) ( )
- c) Overall personality in terms of working in a group (flexibility, team-player, availability) ( )
- d) Dedication of the proper time for the project ( )

3)

---

- a) To the project overall ( )
- b) To the written portion of the project ( )
- c) Intellectually to the project (idea, knowledge, solutions) ( )
- d) Coordination of the team (leadership role) ( )
- e) To developing the class presentation (ppt, programming language) ( )
- f) Overall personality in terms of working in a group (flexibility, team-player, availability) ( )
- g) Dedication of the proper time for the project ( )

4)

---

- a) To the project overall ( )
- b) To the written portion of the project ( )
- c) Intellectually to the project (idea, knowledge, solutions) ( )
- d) Coordination of the team (leadership role) ( )
